Dear Parent or Guardian:

Students in grades 3, 4 and 5 will begin taking the Connecticut Mastery Tests in early March. These tests, including make-ups for absent students, will be administered over a 4-week period beginning Monday, March 1 and ending on Wednesday, March 17. Make up tests will be administered until Thursday, March 25. You will find a copy of the testing schedule included in this PTA Howl.

The Connecticut Mastery Tests are designed to measure students’ skills in reading, writing, and mathematics. Grade 5 also includes a Science section of the test. Information about your child’s scores will be made available to you once we receive the results.

We want our students to be relaxed, well rested and to try their best. The tests should be taken seriously, but should not cause undue anxiety. Thank you for your help and support.

Sincerely,
Frank Arnone
Principal
