

food you can feel good about

Inspired vegetarian, organic, locally sourced
food to take out

A SPECIAL THANK YOU TO
HOLLAND HILL TEACHERS,
EDUCATORS, STAFF AND
VOLUNTEERS

To thank all the people at Holland Hill who have given their time, enthusiasm and love to our children, GreenGourmetToGo would like to offer 10% on all purchases through the end of July! Just bring in this flyer to receive your discount!

A little bit about us...

Inspiration for our menu is based on our healthiest potential - for ourselves and our planet. We strive to create delicious, health-supportive food using the highest quality organic, local whole foods available with packaging that's eco-friendly. Our goal is to delight your senses and your conscience by providing take-out food you can feel good about. Ask about catering and baking for parties and events.
